From the days of French settlers and the ghouls who tormented them, to the grim realities of early factories and their gruesome death tolls; Detroit is a town with a devilishly scary past. As Halloween approaches we can all spare a nervous glance towards Detroit's darker side. Our tour will give a glimpse into escape artist, and illusionist Harry Houdini's plunge into the Detroit River to the bravery of escaped slaves crossing into the freedom of Canada. From the strange going ons of a private men's club at night to the unlucky bar maid who was discovered mid-extramarital tryst. Mobsters, ghosts, social injustices, cemeteries, murder, pranks, devil's night, assassinations, outbreaks of cholera, unex-

plained disappearances, wars, tricks and treats await you! **You'll be treated to a light snack and Mocktail at one of our stops. Dinner is at Andrews on the corner, both inclusive of your ticket price. Travel is provided by deluxe motorcoach.**
