Every February 14, across the United States and in other places around the world, candy and flowers and gifts are exchanged between loved one, all in the name of St. Valentine. The history of Valentine's Day and its patron saint is shrouded in mystery. But we do know that February has long been a month of romance. St. Valentine's Day, as we know it today, contains vestiges of both Christian and ancient Roman tradition. So, who was Saint Valentine and how did he become associated with the ancient rite? Today the Catholic Church recognizes at least three different saints named Valentine or Valentinus, all of whom were martyred.

#4 LUNCH AND SHOW
Saturday, February 11, 2012

Today we will be going to the **Tipping Point Theatre** in Northville to see "The Love List." This exciting play is based on a list of 10 ideal attributes that Bill desires in a mate and the funny things that happen to Bill and his friend Leon when the perfect woman appears. Before the performance you will enjoy lunch at Poole's Tavern, which will be on your own.
