OVERNIGHT TRIP

We usually offer a 3 day trip at the end of the season but due to Covid, we won't be offering a 3 day trip this year.

TRANSPORTATION

THIS SEASON WE MIGHT NOT BE ABLE TO GET BUSES DUE TO DRIVER SHORTAGE. Obviously, if we don't provide them for the trip, you can disregard the \$10.00 bus fee. There is no reduction in fees because we have never charged for transportation. They have been and are subsidized with our SMART millage funds. If we are able to get at least one bus, that bus will be filled based on a first come basis, using the date and time of registration for that week to determine

SUPERVISION

Club members will be supervised on the bus ride to and from the ski area, in the ski lodge room and on the hill by our adult chaperones. Students with questions or problems during a trip can find adult assistance at the Dearborn Heights Ski/Board table in the lodge. (A background check is done on every program volunteer.)
