

# PERMANENT ABSENTEE LIST

The Clerk's Office maintains a list of voters that receive an application for absentee ballot for every election held in the City of Dearborn Heights. Inclusion on this list does not guarantee that you will automatically be sent a ballot for every election; it guarantees that you will be sent an absentee application for every election. A qualified elector must make a new request for an absentee ballot for each election that they are qualified to participate in.

Inclusion on the permanent AV list does not require an individual to vote absentee for every election, it merely assures the elector that they will automatically receive an application for an absentee ballot for every election.
